 - A) <u>Literacy & Critical Inquiry</u>

From MCCCD:

C) Humanities, Arts & Design (HU)

From ASU:

Revise and Resubmit for HU designation (new):

SLC 494 Religion and Conflicts in Southeast Asia

Rationale: while the subcommittee believes that the course could meet the HU criteria, the application does not make it clear. The subcommittee is particularly concerned that the course does not analyze the role of Religion, but merely provides a timelineof conflicts. We recommend revising the proposal so that analytical work and expectations are clearly illustrated.

From MCCCD:

Approved to retain HU designation (mandatory review):

AHU 245 Arabic Culture and Islam

Revise and Resubmit for HU designation (mandatory review):

MHL 241 Music History and Literature to 1750

MHL 242 Music History and Literature 1750 to Present

Rationale: The rationale for requesting revise and resubmit is the same in both cases here. The applications indicated that the courses fulfill criteria 4d; however, the subcommittee sees no evidence of literature or analysis. The subcommittee does consider that the courses fulfill either criteria 4b or 4c. We recommend that the application be revised to reflect how the courses fulfill either of those criteria.
